E kore e taka te parapara ā ōna tīpuna, tukuna iho ki a ia
*The qualities and talents of past generations will not fail to be fulfilled,
they have been handed on to us by our ancestors.*

This educational funding aims to assist the descendants of the original owners of the Wairarapa Moana to:

- Be a future leader;
- Be confident in their history, whakapapa and traditions;
- Be able to express and communicate their vision and dreams;
- Be physically strong and mentally healthy;
- Be self-reliant and responsible;
- Be skilled, knowledgeable and successful;
- Be aware of what their obligations and responsibilities are to their own; and
- Know how they can participate and contribute in the world.

Further, as a natural extension of the education programme, Wairarapa Moana is looking to use and apply our skill base to ensure a significant contribution back to the overall growth and development of our people.
